

Best Friends

HOLYCHILD

Oo oo ooh

Oo

Oo oo ooh

Oo oo oo oo oh

Somehow every corner always calls up

Begging me to be the better or the best

Oh but I'd like to think it doesn't really matter

So let's try because it doesn't really matter

Maybe I'll defy and it'll fade out

Growing pale when no contrast can be made out

But I'd like to think it doesn't really matter

Let's just try because it doesn't really matter

Nooo

I have the best friends

Oh watch my best friends

We'll never say the things they do

I have the best friends

We can be lost and

I'd rather flee than follow Time will never let me take it back there

We can run 'cuz you know that I will not care

Every action points to look beyond the reform

You know they will all forget about the before All I want is just to spread all the best love

Make you happy, make you realize you're the best of

Make you strong enough to do it for the reform

Maybe someday they'll forget about the before

I have the best friends

Oh watch my best friends

We'll never say the things they do

I have the best friends

We can be lost and

I'd rather flee than follow suit

follow suit

follow suit

follow suit

follow suit

follow suit

follow suit

follow suit

(I have the best friends)

ay yeah ay yeah-eah
(Oh watch my best friends)
ay yeah ay yeah-eah
(I have the best friends)
ay yeah ay yeah-eah
(friends, f-f-f-friends f-f-f-f-friends f-f-f-f-friends)
ay yeah ay yeah-eah
