Talk to Me Baby

Annette Funicello

With The AfterbeatsTalk to me, baby
Tell me what's on your mind
Please, tell me, baby
If you'd be so kindTo tell me your problems
And what I can do
To show you, baby
That I'm so in love with youIt isn't fair to take
Someone's love and
Then just throw it away
If you can't be sincere
Year after year, then
Love won't last you a dayTalk to me, talk to me
Talk to me, baby
Tell me what I can do
To show you, baby
That I'm so in love with youTalk to me, baby
Tell me what I can do
To show you, baby
That I'm so in love with you
