

# Saturday Night In Oak Grove, Louisiana

**Tony Joe White**

Saturday Night in Oak Grove Louisiana You get home just about sundown  
And drop into the shower  
And now you started to run round  
And you know you're gonna gather now Put your Hat  
And put your good clothes on  
Everything is got to be right  
cause it's Saturday Night  
You call your best friend on the telephone  
To drop by and pick you up  
And just about seven you hear him coming  
With his Fiberglass mufflers on his Pick-Up-Truck Cause when you look good  
Uuuuuhh Baby you feel good  
Everything is got to be right  
Cause it's Saturday Night You go to town and circle the near Queen  
To see who is hangin' out  
With your ellbow stuck out the window,  
You don't care if it all hangs out  
Cause when you feel good  
Uuuuuhh Mamma you look good  
Cause everything is got to be right  
Cause it's Saturday Night
