

Dis Bitch, Dat Hoe

Project Pat

Dis, dis, d-dis, dis, dis, d-dis
Dis, dis, dis, d-dis, dis, dis, d-dis
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Hoe, soakin' fuckin' wet, hoe, soakin' fuckin' wet
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Hoe, soakin' fuckin' wet, hoe, soakin' fuckin' wet
Project Pat is in this mothafucka, I know niggas hate
I know niggas wanna see me some where starvin' for a plate
'Cause they bitches like to talk about us, like they lick our balls
I don't never call that hoe and she love my dirty draws
I'm a North Memphis pimp so you better recognize
Let cha' hoe suck my dick while I'm lookin' in her eyes
I know y'all be tellin' lies, lyin' on ya dick ain't real
Nigga say he fucked my bitch and he couldn't wait to steal
But it's all to the goody though 'cause she payin' me
Free fuck for a hoody hoe, never playin' me
To the curb with my Thunderbird while I'm smokin' herb
In the tub, playa rub-a-dub I just say the word
And her pussy'll open up like a says me
I'm the first in the hood to fuck so ya praise me
Off this bitch, I'ma check her butt, I ain't lazy
Made a housewife from a slut, is ya crazy
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Hoe, soakin' fuckin' wet, hoe, soakin' fuckin' wet
Dis, dis, d-dis, dis, dis, d-dis
Dis, dis, dis, d-dis, dis, dis, d-dis
Dis bitch, dat hoe, hoe let me see that pussy bitch
Come through with a donation that'll make you rich
Bigger lips on a pussy, let me see it blow a kiss
In the back with the yac now they blowin' on Ludacris
I can see it in her eyes
Gave me the pussy for a burger and some fries
And they always wonder why

'Cause I put em' in a room and get em' so fuckin' high
Luda, I'm so true to smokin' that stanky buddha
My panky shinin' with diamonds, my index on a Ruger
I wet these hoes in they seat so just call me Freddy Kruger
The Boogie Man, oogie, woogie, give me that oogah, boogah
You can't deny it, no passin' by it, you gotta try it
I'm number one, public enemy power gotta fight it
I got my gun and my identity started a fuckin' riot
We havin' fun, it's some Siminese pussy, like it, buy it
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Hoe, soakin' fuckin' wet, hoe, soakin' fuckin' wet
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Dis bitch, dat hoe, hoe let me see ya pussy
Hoe, soakin' fuckin' wet, hoe, soakin' fuckin' wet
You can get a room on ya free time, now that we alone
Tell that buster quit callin' you, turn off ya phone
It's the big dick monster from the back puncher
Bang, bang, skeet, skeet, pull it out launcher
Juicy, juicy, fat, fat, cum run down ya crack
Man fuck a towel, I'ma let it shoot on her back
Ridin' Lac with the TV's, find a prostitute
Missy got this with ya bank, I'm gon' fuck with chu'
All in pursuit for a bitch with low self-esteem
(Man she say her pimp is a bitch)
Bitch, what the fuck you mean?
It could seem like I ain't strapped but it's in the holster
2-0-1 a revolvin' door or a roller coaster
Gettin' most of the game from these motherfuckin' jail walls
Hoes can't resist on these streets, hoes kissin' balls
Breakin' pimp laws, bitch that'll get cha' pimp smacked
You ain't got no cheese, oh, that'll get cha' head cracked
Dis bitch, dat hoe, hoe
Dis bitch, dat hoe, hoe
Dis bitch, dat hoe, hoe
