

Unconditionally

Katy Perry

Oh no, did I get too close?
Oh, did I almost see?
What's really on the inside
All your insecurities
All the dirty laundry
Never made me blink one time Unconditional, unconditionally
I will love you unconditionally
There is no fear now
Let go and just be free
I will love you unconditionally So come just as you are to me
Don't need apologies
Know that you are all worthy
I'll take your bad days with your good
Walk through the storm I would
I do it all because I love you
I love you Unconditional, unconditionally
I will love you unconditionally
There is no fear now
Let go and just be free
I will love you unconditionally So open up your heart and just let it begin
Open up your heart and just let it begin
Open up your heart and just let it begin
Open up your heart
Acceptance is the key to be
To be truly free
Will you do the same for me? Unconditional, unconditionally
I will love you unconditionally
And there is no fear now
Let go and just be free
'Cause I will love you unconditionally (oh yeah) I will love you
I will love you
I will love you unconditionally
