

Beats To Your Rhythm

The Shires

When I'm down and down
You're the only one that can keep me singing
You're electric, it's infectious
My heart beats to your rhythm
Never more alive than when we dance all night You bring out the best in me
You bring out the best in me
My heart beats to your rhythm
And you give me all your love
You hit me like a drum
My heart beats to your rhythm
My heart beats to your rhythm
Spinning up a storm and everybody's gone
We're still going strong
I never thought that I could dance all night You bring out the best in me
You bring out the best in me
My heart beats to your rhythm
And you give me all your love
You hit me like a drum
My heart beats to your rhythm
My heart beats to your rhythm
My heart beats to your rhythm You're electric, it's infectious
My heart beats to your rhythm
You bring out the best in me
You bring out the best in me
My heart beats to your rhythm
And you give me all your love
You hit me like a drum
My heart beats to your rhythm
You bring out the best in me
You bring out the best in me
My heart beats to your rhythm
And you give me all your love
You hit me like a drum
My heart beats to your rhythm
My heart beats to your rhythm
My heart beats to your rhythm
