

Whip It

Powerman 5000

Crack that whip
Give the past the slip
Step on a crack
Break your momma's back
When a problem comes along
You must whip it
Before the cream sits out too long
You must whip it
When something's going wrong
You must whip it
Now whip it into shape
Shape it up, get straight
Go forward, move ahead
Try to detect it, it's not too late
To whip it, whip it good
When a good time turns around
You must whip it
You will never live it down
Unless you whip it
No one gets away until they whip it
I say, whip it
Whip it good
I say, whip it
Whip it good
Crack that whip
Give the past the slip
Step on a crack
Break your momma's back
When a problem comes along
You must whip it
Before the cream sits out too long
You must whip it
When something's going wrong
You must whip it
Now whip it into shape
Shape it up, get straight
Go forward, move ahead
Try to detect it, it's not too late
To whip it into shape

Shape it up, get straight
Go forward, move ahead
Try to detect it, it's not too late
To whip it, whip it good
