

# Reno And Me

## Waylon Jennings

Reno and me hit the freeway south out of town on a run  
Reno was driving he asked me to roll him one  
I turned on the radio found us some sweet Emmylou  
I sang the harmony low down and out of key  
Reno just howled at the moon Somewhere outside Kansas City on the highway that leads to Cheyenne  
The radio quit on a song by a Mexican band  
Well, I guess we were lost in thoughts of brown skin girls  
Took a couple wrong turns in a row  
Reno and me we just laughed  
We agreed it dont matter which way you go It dont matter which way you go  
When youre callin the highway your home  
When every old towns just your past burning down  
It dont matter which way you go All of our old friends got married do all their business in town  
Climbing a ladder that leads to a hole in the ground  
Reno and me we talked it all out  
And one thing that well never know  
Whats the point of a race where you stay in one place  
Believing theres somewhere to go It dont matter which way you go  
When youre callin the highway your home  
When every old towns just your past burning down  
It dont matter which way you go It dont matter which way you go  
When youre callin the highway your home  
When every old towns just your past burning down  
It dont matter which way you go
