If I Rise

Dido

In your life, your mad
In your car, your sad
O' your taller now I've found
Hold your fire course
O' your fallen out
Go and sow your coursesIf I rise, they are on my drive
If I believe, it's more than it is
More than it isIf I rise, one more chance
All our dreams, more than this
O' your taller now I've found
Hold your fire course
O' your fallen out
Go and sow your coursesIf I rise, they are on my drive
If I believe, it's more than it is
It's more than it isIf I thought I wanted more
Get the life more
Just one more call
Though I've never lost
Believe I don't care
Never againIf I rise, they are on my drive
If I believe, it's more than it is
It's more than it isIf I thought I wanted more
Get the life more
Just one more callIf I believe, there's more than this
Anymore than this
