## Tell Me Why

## Wynonna Judd

Everywhere I look the sun is shining But it's always raining here inside I can see You really had a hold on me It's a mean old love With a flame that never diesWon't you tell me why I can't say goodbyeEverywhere I go you're in my shadow When I turn around there's no one there And it's a real bad sign I'm walking on a real thin line A fool in love with a fool that never caredWon't you tell me why I can't say goodbye Won't you tell me whyAsk anyone you know And they'll say love fades away But this hearts' cryin? just like yesterdayAnd it's a real bad sign I'm walking on a real thin line A fool in love with a fool that never caredSo won't you tell me why
