Dear Darlin'

Olly Murs

Dear darling, please excuse my writing
i cant stop my hands from shaking, cuz im cold and alone tonight.
i miss you,and nothing hurts like no you.
Noone understands what we went through.
It was short, it was sweet , we tried
And if my words break through the wall's
and meet you at your door, is all i can say girl i mean them all.
Dear Darling, please excuse my writing.
i cant stop my hands from shaking, cus im cold and alone tonight.
i miss you, nothing hurts like no you.
Noone understands what we went through.
It was short, it was sweet , we tried ... we tried.

Been thinkin about the bar we drank in
Feeling like the sofa was sinkin.
I was warm in the hold of your eyes.
So if my words break through the wall
and meet you at your door, all i can say girl is i mean them all.
Dear darling, please excuse my writing
i cant stop my hands from shaking, cus im cold and alone tonight.
i miss you, nothing hurts like no you.
Noone understands what we went through.
It was short, it was sweet , we tried
(Oooh i come clean, please hold on ...)
i miss you, nothing hurts like no you.
Noone understands what we went through.
It was short, it was sweet , we tried.
