Prophecy

Keldian

Glowing embers of our past
Memories are fading fast
Where you came from, where you go
I can never let you knowShadows on the castle walls
All stories that I know
Mysteries of ancient times
Are flowing in your bloodSuch things I could not believe
Words and stories, disbelief
In the light from a new sun
I have sworn to tell no oneShadows on the castle walls
All stories that I know
Mysteries of ancient times
Are flowing in your blood
I live on in you forever
Prophecy comes true
Secrets lie so deep
And are forever yours to keep
