Diesel & Power

Backyard Babies

Come on little honey
Let me show you why
Ie got this love for steaming wheels
Come on inside tonight
Let me drive you to the other sideMy baby she blue
Like a new tattoo
And she makin?my rules tonight
Come on Il drive you to the church of love
Where the priest is gasolineCome on, baby, Il show you
Come on, honey, I own youGirl I drivin?on a highway of love
She got the diesel and the power
Girl I drivin?on a highway of love
She got the diesel and the powerShe got the diesel and the powerCome on inside and Il show you why
Ie got a one way ticket to the gates of hell
And I am over you
But if I woke up in a prison cell
It wouldn be so hard to tell
`Cause eighteen wheels my love baby
And I ain fuckin?coming backGirl I drivin?on a highway of love
She got the diesel and the power
Girl I drivin?on a highway of love
She got the diesel and the powerGirl I drivin?on a highway of love
She got the diesel and the power
Girl I drivin?on a highway of love
She got the diesel and the power`Cause, baby, I drivinn your highway of motherfuckin?love
