

# Dancing In the Street

## Martha Reeves & The Vandellas

Callin' out around the world, are you ready for a brand new beat?  
Summer's here and the time is right for dancin' in the street.  
    Dancin' in Chicago (dancin' in the street)  
    Down in New Orleans (dancin' in the street)  
    In New York CityAll we need is music, sweet music,  
        There'll be music everywhere  
    There'll be swingin' swayin', and records playin,  
Dancin' in the streetOh it doesn't matter what you wear, just as long as you are there.  
        So come on every guy, grab a girl,  
    Everywhere, around the worldThere'll be dancin', they're dancin' in the street.  
        This is an invitation, across the nation,  
            A chance for folks to meet.  
    There'll be laughin' singin', and music swingin'  
    Dancin' in the streetPhiladelphia P.A., Baltimore and D.C now,  
        Can't forget the motor city,  
        All we need is music, sweet music  
            There'll be music everywhere  
    There'll be swingin' swayin', and records playin,  
Dancin' in the streetOh it doesn't matter what you wear, just as long as you are there.  
        So come on every guy, grab a girl,  
    Everywhere, around the worldThey're dancin', dancin' in the street  
        Way down in L.A., every day they're dancin' in the street  
            Lets form a big strong line, and get in time,  
                We're dancin' in the street.  
            Across the ocean blue, me and you  
                We're dancin' n the street
