

# I Just Call You Mine

## Country Crusaders

I pinch myself sometimes to make sure  
I'm not in a dream, that's how it seems  
I close my eyes and breathe in the sweetest moments  
I've ever known, it feels like home  
And here I am, I wanna be your everything  
There you are turning winter into spring  
And everyone that sees you always wants to know you  
And everyone that knows you always has a smile  
You're a standing ovation after years of waiting  
For a chance to finally shine  
Everyone calls you amazing yeah, I just call you mine  
I fall apart and just a word from you somehow seems to fix  
Whatever's wrong, oh, you reach into the weakest moments  
And remind me that I'm strong, you've gotta know  
I'd be a fool not to see or even worse  
To forget that you're more than I deserved  
'Cause everyone that sees you always wants to know you  
And everyone that knows you always has a smile  
You're a standing ovation after years of waiting  
For a chance to finally shine  
Everyone calls you amazing, I just call you mine  
Nothing makes sense when you're not here  
As it my whole world disappears  
Without you what's the point of anything?  
'Cause everyone that sees you always wants to know you  
And everyone that knows you always has a smile  
You're the dream that I've been chasing after years of waiting  
For a chance to finally shine  
Everyone calls you amazing, I just call you mine  
Everyone calls you amazing, yeah, yeah, I just call you mine
