

Jimi Thing (w/Bla Fleck & The Flecktones)

Dave Matthews Band

Lately I've been feeling low
A remedy is what I'm seeking
Take a taste of what's below
Come away to something better
What I want is what I've not got
But what I need is all around me
Reaching searching never stop
And I'll say...If you could keep me floating just for a while
'Til I get to the end of this tunnel...mummy
If you could keep me floating just for a while
I'll get back to youTake a Jimi Thing
Just to keep me swingin'
I'd like to show you what's inside
I shouldn't care if you don't like it
Brother chaos rules all about
Sometimes I walk there
Sometimes, God knows, I take a bus there
I shouldn't care I shouldn't care bereaved as
I'm feelingDay is gone I'm on my back
Staring up at the ceiling
I take a drink sit back relax
Smoke my mind makes me feel
Better for a small time
What I want is what I've not got
What I need is all around me
Reaching searching never stop
And I'll say
