

The Light

Jeremih & Ty Dolla \$ign

Hol' up!
Hitmaka![Bridge: Ty Dolla \$ign & Jeremih]
Let's have sex, but not without the foreplay (okay cool)
But not without the first date (okay cool)
But not before I have to wonder if you let me hit if I walk you to the door way
Let's have sex, but not without the sprees babe (okay cool)
Not without the vacays, no[Chorus: Jeremih]
Ohh, it's the way you go
Don't this feel right (don't this feel right)
Tryna put you in the light (tryna put you in the light)
Ooh, It's the way you go
I don't say good night (don't say good night)
I'm tryna fuck you on top
[Verse: Jeremih]
Back in the days when I was young, I'm not a kid anymore
But these days I'm thinkin' maybe we should fuck again
Try my [?], try my luck again
All your friends say when you really in love with him?
Started off the Henn', now I'm on Patron
Had to switch it up, I had to hit your phone
Can you picture us posted on the wall?
Can you picture us posted on the wall?
I put her to sleep, she woke up like that
Breakfast in bed, I ordered 4 stacks
Get to the back, I'm talkin' the big payback
Roll my wood and give her good
[Chorus: Jeremih]
Ohh, it's the way you go
Don't this feel right (don't this feel right)
Tryna put you in the light (tryna put you in the light)
Ooh, It's the way you go
I don't say good night (don't say good night)
I'm tryna fuck you on top[Bridge: Ty Dolla \$ign & Jeremih]
Let's have sex, but not without the foreplay (ooh yeah, okay cool)
But not without the first date (ooh yeah, okay cool)
But not before I have to wonder if you let me hit if I walk you to the door way
Let's have sex, but not without the sprees babe (ooh yeah, okay cool)
Not without the vacays, no[Chorus: Jeremih]
Ohh, it's the way you go

Don't this feel right (don't this feel right)
Tryna put you in the light (tryna put you in the light)
Ooh, It's the way you go
I don't say good night (don't say good night)
I'm tryna fuck you on top (tryna fuck you on top)
Ooh (don't this feel right, I'm tryna put you in the light)
