

Am I The Only One

Dierks Bentley

Well, it was Friday in the p.m.
And just like every weekend I was ready to throw down
Yeah, I get a little tore up, so I call my bros up
To meet me out on town
Well, Wild Man Willie said, "I'd like to really"
But Idol was on TV
And Ray had a date with his wife and they quit drinking
But he didn't tell me
Am I the only one who wants to have fun tonight?
Is there anybody out there who wants to have a cold beer
Kick it 'til the morning light?
If I have to raise hell all by myself
I will, but y'all that ain't right
Yeah, it's time to get it on, am I the only one
Who wants to have fun tonight?
Well, I was flying solo down at Silverado's
The joint looking like a morgue
When this country cutie with a rock 'n' roll booty
Came strutting in through the door
Yelled, "Who wants to dance?" and fired up the band
With a Franklin and a shot of Patron
She looked right at me, said "What's gonna be?
Are you gonna let me to party alone?"
Am I the only one who wants to have fun tonight?
Is there anybody out there who wants to have a cold beer
Kick it 'til the morning light?
If I have to raise hell all by myself
I will, but y'all that ain't right
Yeah, it's time to get it on, am I the only one
Who wants to have fun tonight?
Yeah, am I the only one who wants to have fun tonight?
Is there anybody out there who wants to have a cold beer
Kick it 'til the morning light?
If I have to raise hell all by myself
I will, but y'all that ain't right
Yeah, it's time to get it on, am I the only one
Who wants to have fun tonight?
Come on, come on
Get your good time on

Let's have a little fun tonight
Let's have a little fun tonight
Let's have a little fun tonight
Don't tell me I'm the only one
Let's have a little fun tonight
Come on, come on
Get your good time on
