I Believe In Love

Tata Young

I feel the heat around me
I feel the beat surrounds me
Could this be for real, I wonder
No need for hesitation
It's time for celebration
Will this be the night I've waited for
When angels fall in love
Heaven knows, does it show, oh
If this love, will last for eternity
Set me on fire
[Chorus]I believe, I believe in love
And like the stars above
They shine, let it shine over me
Set me free I believe in you
And that our love is true
Oh I believe, I believe
I see that people dancing

Boys and girls romancing
They want this to last forever
Cause underneath the moonlight
Everything is alright
We're reaching our hands up in the air
To where the souls alive
Heaven knows, that it shows oh
If this love, will last for eternity
Set me on fire
[Chorus]How could I doubt, what was meant to be
Everything I needed was in front of me
Your healing touch, will lift me up in the sky, so high
[Chorus]
