We Ain't Broke No Mo

Lil' O

I remember when these hoes ain't speak
'Cause I ain't have no doe
And these boys ain't wanna hang around
'Cause I fell off and I was broke
Hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey
Extra extra, read all about it
Fat rat with da cheese blew up these boys doubt it
These broads wanna speak now freak 'cause I was down G
Now they break they neck for sex and be around me they clown me
With words when I used to slang on curve
Grinding to get a burb now shopping spree spurs
With these Cadillac swerve through these streets one deep
I don't hang with these boys they wanna see me all feet
With my belt on concrete yeah wet my chest
But I wet your face if you step to this
Lexus' hoes be like those Texas kids
Do you see all that ice in their necklaces
You see when I had it hard all I had was the lord
I peep game from the streets learn these cats fraud
But now my money right so I'm ready for the war
Don't make me send killas for y'all I don't bard it
But hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey
I use to wear the polo but now I'm iceberg splurgin'

Use to ride in hoodoos but now I'm flippin' excursion
Slim getting what he deserving in the Y2G
'Cause ain't no post so on the grind like me
Trying to shine like me it's hard work
I used to get treated like dirt before I wrecked concerts
I had to get what I was worth so I got it
Didn't have time to talk about it 'cause my dream than got spotted
You know me a raw dog hog ass nigga
Chasin' my figures tryin' to get it mo bigger
Like having figures like Jigga but I'm on my way
'Cause when it comes to the green Slim Thug don't play
How many 19 years old got this much ice
How many 19 years old ride around this nice
Not too many I used to get treated like a penny
Now cars closing doors I got plenty, I ain't broke no moe
But hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey
I hit the scene coupe lit with screens
Twenty inches sittin on a six machine
Hop out super clean like lysterine
From my wrist and ring I'm glistening
And the way my chain glow you can't miss a thing
I told you I'll come up you wasn't listening
From the jump I had a dream like Mr. King
That I would hit motto cock till it's blistering
You can lick my thing freak me in ways that sickening
They licking my ass 'til it's blittering
They thinking I'm a trick you can't hit your thing
Girl you trippin' I kick broads out my car tell them get the steppin'
When they try to jump fraud like pippin
Yeah I fell but I'm back I bled my block from a rock to a chicken
Yeah on my note baby no more slippin'
It's going down
But hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey, it's on again

'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey
I remember when these hoes ain't speak
'Cause I ain't have no doe
And these boys ain't wanna hang around
'Cause I fell off and I was broke
But hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey, it's on again
'Cause we ain't broke no moe
No moe
We ain't broke no moe
Hey hey hey hey
