

# Natural

Peter Andre

It feels so natural  
Just to be with you  
I wanna get it on  
It feels so good to know  
That we can't take it slow  
And make it last ... all night  
Hey ya got me goin' crazy  
And I'd like to get with you  
Ooh ya got me thini' 'bout  
All the things I wanna do to you  
It'd be a pleasure  
Just to hold you through the night  
And when I touch ya, hey girl  
I'm gonna do you right  
With a little candle light  
And sweet red wine  
Don't ya know baby  
You'll ne mine

Chorus:

It feels so natural ...  
It's time to get to know ya baby  
Let me set you in the mood  
Well we can spend some time

So we'll unwind  
And leave your worries behind  
I'll guarantee you  
That I'll never do wrong  
'Cos you've got what I need  
Here's where you belong  
You've got me hooked  
And it feels so right  
Let's make this magic last  
For more than just one night

Chorus

Give it up c'mon 'n' don't stop (5x)  
You got me goin' crazy (2x)  
It's been a pleasure  
Just to hold you through the night

And when I touch ya, hey girl  
I'm gonna do you right  
With a little candle light  
And sweet red wine  
Don't ya know baby  
You'll be mine  
Chorus
