Sweet Soul Music - Single/LP Version

Arthur Conley

Do you like good music
That sweet soul music
Just as long as it's swingin'
Oh yeah, oh yeah

We are here on the floor now
We're going to a go go
Dancin' to the music
Oh yeah, oh yeah

Spotlight on Lou Rawls, y'all
Ah don't he look tall, y'all
Singin' loves a hurtin' thing, y'all
Oh yeah, oh yeah

Spotlight on Sam and Dave y'all
Ah don't they look boss(?) y'all
Singin' hold on I'm comin'
Oh yeah, oh yeah

Spotlight on Wilson Pickett now
That wicked picket Pickett
Singin Mustang Sally
Oh yeah, oh yeah

Spotlight on Otis Redding now
Singing fa fa fa fa fa fa fa fa
Fa fa fa fa fa fa fa fa
Oh yeah, oh yeah

Spotlight on James Brown, y'all
He's the king of them all, y'all
He's the king of them all, y'all
Oh yeah, oh yeah
