

Melody for C

Sonny Clark

Come Jam with me;
Come on and play the licks the way
that jazz ought to be.
Come on and jam with me,
Sonnyâ€™s Melody for C.

And we'll swing and weâ€™ll play,
Like pretty Sonny
used to smoke it back in the day;
Come on and jam with me,
Sonnyâ€™s Melody for C.

Come one and come all;
Come on and bring your horns
and we will have us a ball.
Come on and jam with me,
Sonnyâ€™s Melody for C.

And we'll bring down the house,
Like Billy Higgins swung behind
the mean Charlie Rouse;
Come on and jam with me,
Sonnyâ€™s Melody for C.
