Oochie wally wally, oochie bang bang

Oochie wally wally, oochie bang bang

He really taught me how to do it with my mouth

He really really tried to hurt me hurt me

I really love his thug and gangsta styleYeah, what up ma, take a look, you hypnotized

On how my long dick stretch your insides

For real ma, with your thick lips and thick thighs

Stoke both holes, pass it to NasOr pass it to Naish, or pass it to Jung

Or pass it to Horse, then that ass gettin' tossed

Fuck a hustler book, penthouse or black tale

I got bitches sendin' my niggas flicks in jailI fuck a bitch face more than her waist for real

And ain't no pussy like new pussy that's how a nigga feel

Bust three times throw her the peace sign

She sleep then my dick sleek and I ain't gotta call her for weeksLong leg hoes, mo'head hoes, married bitches

Me and my dog fuckin' them both they got us switchin'

Is the nigga gangsta? Yeah, that's how I'm livin'

Like no prob, it's simple

Holla out the window it's the project nymphoFuck my whole crew, you know how we do

Bitches call me Horse the pussy filler

I'll fuck a big boned or slim chick

Beat that pussy up real quick then send home the bitchAin't no sleepin' in my bedroom when Henny's in my

When Flex drop the bomb I bust a nut on this bitch

Deep throat, ceaser gold or pun wicked hoes

Who like the way I thug and the way I flowI like head in the Benz, the four door or the Coupe

Head in the staircase, the cellar or the roof

Head in the studio, the bathroom or the booth

Head from a project chick or one with crazy lootLike Nia Lomg in a cherry thong with the lights on
Sippin' Perignon with Kelly Price on

I pull out my python, I hit it while my wife's gone

Long dick the bitch all night, I'll make her pussy sing the songOochie wally wally, oochie bang bang
