M.E.

Sputniks Down

And M.E. I eat dust
Were all so run down
Id call it my death but Ill only fade away
And I hate to fade alone
Now theres only M.E.We were so sure
We were so wrong
Now it's over, but theres no one left to see
And theres no one left to die
Theres only M.E.Why should I care?
Why should I try?
Oh no, oh no, I turned off the pain
Like I turned off you all
Now theres only M.E.
