

Put Your Hands Up

Boiling Point

Put your hand up, put your hands up come on, put your hands up
There is no tomorrow, there is only today,
We live from every moment, sandcastles struck down by the waves
Put your hands up, put your hands up, come on, put your hands up,
Are you ready to go?
Put your hands up, put your hands up, come on, put your hands up
Are you ready to go? Go? Go?
Are you ready to go? Go? Go?
There is no surrender; we bleed to feel the burn
Go on, believe in the moment, one spark ignites this firework,
Are you ready?
Put your hands up, put your hands up, come on, put your hands up,
Are you ready to go?
Put your hands up, put your hands up, come on, put your hands up
Are you ready to go? Go? Go?
Are you ready to go? Go? Go?
This is our time, this is our place, we've come too far we cannot wait
This is our time, this is our place, we've come too far we cannot... we cannot wait
Put your hands up, put your hands up, come on, put your hands up,
Are you ready to go?
Put your hands up, put your hands up, come on, put your hands up
Are you ready to go? Go? Go?
Are you ready to go? Go? Go? Go? Go? Are you ready?
