

# Oreo Cookie Blues

Lonnie Mack

Chocolate on my fingers, icing on my lips  
Sugar diabetes and blubber on my hips  
I keep the night light burning in the kitchen baby  
So I can go downstairs and cruise  
I got them Oreo creme sandwich  
Chocolate covered creme filled cookie blues

I hide 'em in a cabinet, I keep 'em in a jar  
For emergency's you know I keep 'em in the  
Glove compartment of my car  
And I can't live without 'em  
They git' me higher than I can get on booze  
I got them Oreo creme sandwich  
Chocolate covered creme filled cookie blues

Doctor says I'm crazy  
You better give 'em up and quick  
Or you'll be pushing up daisies because  
Boy you definitely sick  
I couldn't quit if I wanted to  
Yeah I don't wanna lose  
It's them Oreo creme sandwich  
Chocolate cover creme filled cookie  
Built by Nabisco, ain't no rookie  
Next best thang to nookie blues
