

# Do It Now

## Mashd N Kutcher

Do it now because you can and I think you should  
Do it now because you can and I told you to  
Do it now because you can and I think you should  
Do it now because you can (can, can, can)  
Do it now because you can and I think you should  
Do it now because you can and I told you to  
Do it now, Do it now, Do it now, Do It now  
Move it up and down like an elevator I told you  
Move it up and down, up and up and up and down, down, down, down, down, down  
Move it up and down, move it up and down, move it  
Move it up and down like an elevator Do it now because you can and I think you should  
Do it now because you can and I told you to  
Do it now because you can and I think you should  
Do it now because you can (can, can, can)  
Do it now because you can and I think you should  
Do it now because you can and I told you to  
Do it now, Do it now, Do it now, Do It Now  
Move it up and down like an elevator Move it up and down, up and up and up and down, down, down, down,  
down, down....  
Move it up and down, up and up and up and down, down, down, down, down, down....  
I told you  
Do it now, Do It Now  
Do it, do it....  
Move it up and down like an elevator  
I told you  
Move it up and down, up and up and up and down, down, down, down, down, down  
Move it up and down, Move it move it up and down,  
Move it up and down like an elevator
