It Takes Two

Tina Turner

One can have a dream, baby
Two can make a dream so real
One can talk about being in love
Two can see how it really feelsOne can wish upon a star
Two can make a wish come true, yeah
One can stand alone in the dark
Two can make a light shine throughIt takes two, baby
It takes two, baby
just me and you
You know it takes twoOne can have a broken heart
living in misery
Two can really ease the pain
like a perfect remedy
One can be alone in a bar
like an island he's all alone
Two can make just any place
seem just like bein' at homeIt takes two, baby
It takes two, baby
just me and you
You know it takes two
It takes two, baby
It takes two, baby
just me and you
You know it takes two
Yeah
It takes two, baby
It takes two, baby
just me and you
You know it takes two, ha!One can go out to a movie
looking for a special treat
Two can make that single movie
something really kind of sweet
And one can take a walk in the moonlight
thinking that's it's really nice
But two lovers walking hand in hand
is like adding just a pinch of spiceIt takes two, baby
It takes two, baby
just me and you
You know it takes two

It takes two, baby
It takes two, baby
just me and you
You know it takes two
Oh doo doo doo doo
Oh doo doo doo doo
Oh doo doo doo doo
Oh
It takes two, baby
It takes two, baby
just me and you
You know it takes two, ha!
It takes two, baby, yeah yeah
Me and you, just me and you
It takes two, baby
