

I Hate You

Verbal Abuse

You were just a waste of sperm
They way you look
Makes my stomach turn
The way you think
Is no way at allGod you really think you have ballsI hate you
Ain't it true
I hate you
And everything you doYou walk around like a fucking dick
And everytime you're near
You know I get real sickYou're so stupid
There's nothing in your head
God how I wish that you were deadI hate you
Ain't it true
I hate you
And everything you do
