The Right Thing

Moby

one day i know
gonna leave this all
lift off to heaven
lighs flying 'cross my eyes
oh it seems like
this could be mine
come on
it's time i do the right thing
oh baby, baby, gonna do the right thing
one day i know
gonna leave this all, love
gonna leave this
leave this all for heaven
one day i know
gonna leave this all, love
gonna leave this
leave this all for heaven
oh no
no life to live

gonna leave this
leave this all for heaven
one day i know
gonna leave it all, i know
gonna leave this
gonna leave this all for heaven
oh lord, save me,
i wanna do the right thing
oh it's time
oh lord, save me
i wanna do the right thing
oh it's time
oh lord, save me,
i wanna do the right thing
oh it's time
oh lord, save me,
i wanna do the right thing
i wanna do the right thing
oh-oh, it's time

i wanna do the right thing
