To Keep Me Warm

Emma Louise

The night is slow
I don't like to sleep alone
And I'm tired, I'm coldBut she gets to sleep with him to keep her warm
They'll get some love, some loving
But I won't
I will love, oh oh
I'm in love, oh oh
Oh
And your head and hands are strong
I don't like to let you down
But how?
I'll love, oh oh
I'll love, oh ohBut she gets to sleep with him to keep her warm
They'll get some love, some loving
But I won't
I will love, oh oh
I'm in love, oh oh
When you're gone
Oh, when you're gone
Oh, when you're gone, oh
But you don't need me there
You don't need me there
You don't need me there
You don't needBut I want to sleep with him to keep me warm
And I need some love, some loving...
