Veteran Cosmic Rocker

Moody Blues

The lights go down, the stage is set
A man in the wings breaks out in sweat
A backstage-joker spiked his Coke while
The dressing room was full of smokeA crowd of fools got him high
He's afraid he's gonna die
He's the apple of their eyeHe steps into the remaining light
The crowd go wild, he's out of sight
Arms held high in a sign of peace
His manager signed a one-night leaseThe house is full, getting high
He's afraid he's gonna die
He's the apple of their eyeHe struts, he strolls
His love is rock and roll
He's the veteran cosmic rocker!He steps into the remaining light
The crowd go wild, he's out of sight
Arms held high in a sign of peace
His manager signed a one-night leaseThe crowd are full, getting high
He's afraid he's gonna die
He's the apple of their eyeHe struts, he strolls
His life is rock and roll
He's the veteran cosmic rocker!He's afraid that he will die!
