

I Don't Want to Know (If You Don't Want Me)

The Donnas

Hey I know where you live, yeah
And I wanna live there too
I drive by almost everyday
It's not even really on my way
When am I gonna get to see you? It won't be misunderstood
It won't do you any good
Think I'm not the one you could
But I know that you would I don't wanna know if you don't want me, no
(Don't want me, no)
I don't wanna know if you don't want me, no Hey I have a shirt that belongs to you
And I use it to guess all the things you do
I already met your mom and dad
Said I'm the best one you never had
And I think you should really reconsider It won't be misunderstood
It won't do you any good
Think I'm not the one you could
But I know that you would I don't wanna know if you don't want me, no
(Don't want me, no)
I don't wanna know if you don't want me, no I watched you through the window last night
And I thought I saw a girl in the candlelight
You think that's fair after all I've done?
Restraining orders one by one
And I sure hope that was your sister I guess you misunderstood
Didn't do you any good
That you thought I never could
Now you know that I would
Now you know that I would
Now you know that I would I don't wanna know if you don't want me, no
(Don't want me, no)
I don't wanna know if you don't want me, no
(Don't want me, no) I don't wanna know if you don't want me, no
(Don't want me, no)
I don't wanna know if you don't want me, no
