Alone

Elysium

Looking over the wall now to pastures new
The grass is always greener, isnâ€™t that always the view?
Don't push me away now, don't push me away now

I never see it, I never feel it, I never hear it but I'm alone again
I'm alone again

Walking out on mystery to never return
Wouldn't last forever, isn't that always so true?
Don't push me away now, don't push me away now

I never see it, I never feel it, I never hear it but I'm alone again
I'm alone again

Looking over the wall now to pastures new
The grass is always greener, isnâ€™t that always the view?
Don't push me away now, don't push me away now

I never see it, I never feel it, I never hear it but I'm alone again
I'm alone again
