

# Poor Little Rich Girl

[Chris Connor](#)

Poor little rich girl, you're a bewitched girl  
Better be aware  
Laughing at danger, virtual stranger  
Better take careThe life you lead sets all your nerves a-jangle  
Your love affairs are in a hopeless tangle  
Though you're a child, dear  
Your life's a wild typhoonIn lives of leisure the craze for pleasure  
Steadily grows  
Cocktails and laughters but what comes after  
Nobody knowsYou're weaving love into a magic pattern  
[Incomprehensible]  
Poor little rich girl  
Don't drop a stitch too soonPoor little rich girl, you're a bewitched girl  
Better be aware  
Laughing at danger, virtual stranger  
Better take careThe life you lead, sets all your nerves a-jangle  
Your love affairs are in a hopeless tangle  
Though you're a child, dear  
Your life's a wild typhoonIn lives of leisure the craze for pleasure  
Steadily grows  
Cocktails and laughters but what comes after  
Nobody knowsYou're weaving love into a magic pattern  
[Incomprehensible]  
Poor little rich girl, poor little rich girl  
Don't drop a stitch too soon, too soon
