Let's Have a Natural Ball

Albert King

Well come on baby
Let's have a natural ball
Yes come on woman
Let's have a natural ball
Well if you don't rock 'n' roll
There won't be no fun at all
Well you love me in the morning
Love me late at night
Don't ever leave me darling
Everything's alright
Come on baby
Let's have a natural ball
Well if you don't rock 'n' roll
There won't be no fun at all
Yeah come on baby
Let's have a natural ball
Well if you don't rock 'n' roll
It won't be no fun at all
Won't you love me in the morning
Love me late at night
Don't ever leave me baby
'Cos everything's alright
Come on woman
Let's have a natural ball
Well if you don't have fun
Won't be my fault at all
