

Gabriel

The Crazy World of Arthur Brown

Well, I guess I gotta go now
Saying farewell until the next time
But I know we'll meet again Seem so early to be leaving
Feel so tired just want to sleep now
Fade away Gabriel
Am I finished?
Trapped inside
You got me in it
Is it over in a minute?
Gabriel Gabriel
Am I finished?
Trapped inside
You got me in it
Is it over in a minute?
Gabriel Hear them in the distance
Singing so softly
Oh, so peaceful
Calling me on Being drawn in ever closer
Down towards the cool, calm river
I can hear their song Gabriel
Am I finished?
Trapped inside
You got me in it
Is it over in a minute?
Gabriel Gabriel
Am I finished?
Trapped inside
You got me in it
Is it over in a minute?
Gabriel
