

# Drunk In Love (feat. Christina Milian)

Lil' Wayne

I love a girl in a whole another language  
People look at us strange  
Don't understand us.  
They try to change it  
I try to tell her don't change We talk love and they say it sounds crazy  
But love is more wild when you're angry  
Don't understand why you wanna change it  
Girl listen to me! You're just running from the truth  
That I'm scared of losing you.  
You are worth too much to lose  
Baby if you're still confused Girl I'm just in love with you  
Girl I'm just in love with you  
No other words to use  
I'm just in love with you  
I'm just in love with you When I tell you "I would never leave you"  
Do you hear what I say?  
I don't understand you  
You say you need time  
But you've been calling all day. We talk love and they say it sounds crazy  
Love's even more wild when you're angry  
Don't understand why we wanna change it  
Girl listen to me! You're just running from the truth  
That I'm scared of losing you.  
You are worth too much to lose  
Baby if you're still confused Girl I'm just in love with you  
(Do you hear what I say?)  
That I'm just in love with you  
(Can't nobody change it)  
No other words to use  
(I love you baby)  
I'm just in love with you  
(I'm just in love with you)  
I'm just in love with you  
(I'm just in love with you)  
I'm just in love with you Never knew what we have  
They don't understand  
We're just a waste of time  
We know this is real.  
I know how you feel

When you put your hand in mine. Girl I'm just in love with you

Girl I'm just in love with you

No other words to use

I'm just in love with you

(Let me say it again, let me say it again)

I'm just in love with you

(Just in love, just in love)

I'm just in love with you.
