

# A Lifetime of Adventure

## Tuomas Holopainen

(verse 1)

To be rich is to still remember

To treasure your first dime

To have a chance to say farewell(course)

Story of your life

Time of solitude and strife

Freedom of an open road

Hope and many miles to goPromises to keep

Countless gold fields to reap

To be rich is to seek

To relive the memory(verse 2)

Far off lands, quests of old

Self respect, true grit

Never cared of what a fortune might buy

To seek is to be rich(course)

Story of your life

Time of solitude and strife

Freedom of an open road

Hope and many miles to goPromises to keep

Countless gold fields to reap

To be rich is to seek

To relive the memory(verse 3)

All the strangers on your path

Crossroads the letters from home

The cooling embers of yuletide hearthAll the sounds of wilderness

The truth in which you roamed

Now your lost Rosebud has brought you back home(course)

Story of your life

Time of solitude and strife

Freedom of an open road

Hope and many miles to goPromises to keep

Countless gold fields to reap

To be rich is to seek

To relive the memory(course)
