

# If You Wanna (Marc Riley Session)

## The Vaccines

Well I don't want to wake up in the morning  
But I've got to face the day  
That's what all the friends I do not like as much as you say I don't want to do things independently  
But I can't make you stay  
That's what all the friends I do not like as much as you say But if you wanna come back it's alright, it's alright  
It's alright if you wanna come back  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back to me Well I don't want to see you with another guy  
But the fact is that I may  
That's what all the friends I do not like as much as you say Well give it just another couple months or so  
Then you'll be OK  
That's what all the friends I do not like as much as you say All alone, all alone  
I, I am on my own  
Alone, all alone  
I, I am on my own But if you wanna come back it's alright, it's alright  
It's alright if you wanna come back  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back to me But do you wanna come back it's alright, it's alright  
It's alright if you wanna come back  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back to me
