

Doing It All For You

Status Quo

Morning's breaking it's time to rise
Achin' body, tired eyes
From 8 'till late, I won't be with you
Can't you see I'm doing it all for you I get home and I need a rest
You need lovin' I do my best
To keep you happy, leave you smiling
At least you know I'm doing it all for you
Can't you see I'm doing it all for you Ready, I'm ready, what more can I do
Ready, I'm ready, the rest is up to you
Give me some freedom, nothing left to loose
Oh why should I sit down and cry
Don't you see it's driving me crazy Tell me baby I need to know
That you're by my side wherever I go
And I'll be there when you need me
Whatever I do I'm doing it all for you
