Home Alone Tonight

Luke Bryan

Oh
OhWhat you doin' in this place?
(Well, I could probably ask you the same thing)
Another round, girl, what you think?
(If you're buying, well, you know I'll drink, some, make it 707)
Do you want it on the rocks?
(A double shot of heaven)
Spilling out the top
And we'll goShot, for shot, for shot
'Til we forgot what we came here to forget
Ain't a clock, a tick, a tock, that's gonna stop
A night we won't regret
So put your drink down, throw your camera up
Flip it around and snap a payback picture
(I'll send it to my ex)
I'll send it to my ex
And send them both a text saying
"We ain't going home alone tonight"
Girl you ain't gotta, I ain't gotta go
Home alone tonightSlow country from a cover band
(I got you covered if you don't know how to dance
But if you want we could grab a cab)
Girl, we got all night, I got a bottomless tab so let's goShot, for shot, for shot
'Til we forgot what we came here to forget
Ain't a clock, a tick, a tock, that's gonna stop
A night we won't regret
So put your drink down, throw your camera up
Flip it around and snap a payback picture
(I'll send it to my ex)
I'll send it to my ex
And send them both a text saying
"We ain't going home alone tonight"
Girl you ain't gotta, I ain't gotta go
Home alone tonightIt feels too good to let it end right here
I ain't going home alone tonight
(So, let's not let it end, let it end right here)
Girl, you're going home with me, so let's goShot, for shot, for shot
'Til we forgot what we came here to forget
Ain't a clock, a tick, a tock, that's gonna stop

A night we won't regret
Put your drink down, throw your camera up
Flip it around and snap a payback picture
(I'll send it to my ex)
I'll send it to my ex
And send them both a text saying
"We ain't going home alone tonight"
Girl you ain't gotta, I ain't gotta go
Home alone tonight(No, I ain't going home alone tonight)
Girl you ain't gotta, I ain't gotta go
Home alone tonight
(Baby, don't let me go home alone)
Home alone tonight
