I Have Arrived (Album Version)

Emma Roberts

I know about you
But you don't really know about me yet
Been afraid to let you
Get closer than I want you to getBut I think I'm ready so I hope you're readyI have arrived this is me coming at you live
Oh, the stars are aligned
Nowhere to hide 'cause I'm streamin' in real time
Tell your heart to let me inside
Now that I have arrivedIf I let you closer
Would you still feel the same about me
I think we could go there
And dive into this mystery'cause I think I'm ready so I hope you're readyI have arrived this is me coming at you live
Oh, the stars are aligned
Nowhere to hide 'cause I'm streamin' in real time
Tell your heart to let me inside
Now that I have arrivedDon't you wonder what we could do
I think you've been thinking about me too
We both got something to prove
So don't just stand there come on make a move'cause I think I'm ready so I hope you're readyI have arrived this is me coming at you live
Oh, the stars are aligned
Nowhere to hide 'cause I'm streamin' in real time
Tell your heart to let me inside
Now that I have arrivedI have arrived this is me coming at you live
Oh, the stars are aligned
Nowhere to hide 'cause I'm streamin' in real time
Tell your heart to let me inside
Now that I have arrivedI know about you
But you don't really know about me yet
