Serious Business

Dark By Design

You ain't goin' nowhere
Gonna sit by this pool until you fall in
Didn't know what you were getting into
When you walked in to this room, did you kid?We got some girls over here
We got some boys over there
And they're here just for your fun
So have some dinner, baby, play some records
But just remember one thing sonThis is serious business
Sex and violence and rock and roll
This is serious business
Sex and violence and rock and rollI knew my hand is sweating
I can't dance and I can't relax
Outside is too threatening now
I've come this far girl, I can't go backCall up some old friends
Call up some strangers
Get me used to that French telephone
Donna, Donna educate me
Tell those girls that I'm not aloneThis is serious business
Sex and violence and rock and roll
This is serious business
Sex and violence and rock and rollTake my heart, take my soul
Put me on the cross for all to see
Put my name around my neck
Let those people throw stones at meThis is serious business
Sex and violence and rock and roll
This is serious business
Sex and violence and rock and rollThis is serious business
Sex and violence and rock and roll
Sex and violence and rock and rollThis is serious business
Sex and violence and rock and roll
This is serious business
Sex and violence and rock and roll
