

Tutti Frutti

New Order

Tutti frutti
Amore mio
Tutti frutti
No
Non Ã" ancora il momento di entrare
Non Ã" ancora il momento diLife is so crazy these days
I don't know how to adjust
Are we the master or slave?
Do we need passion or lust?Are we just caught in the days
So many words in a phrase
Life is so crazy these days
Life is so crazy these daysYou've got me where it hurts
But I don't really care
'Cause I know I'm OK
Whenever you are there
You take me to a place
I always wanna go
You always make me high
Whenever I feel lowI'm paper in your hand
I'm under your command
And I'll never let you go
'Cause you're that girlTutti fruttiI had a beautiful dream
For a picture so serene
But I don't know what it means love
I just want your loveGeneration's lost in space
Trying to find the human race
We're living in a state of grace
Where every scholar means a dollarAnd sometimes I just can't go on
I feel like I'm a setting sun
I know my eyes are burning bright
I just need you to make it rightYou've got me where it hurts
But I don't really care
'Cause I know I'm OK
Whenever you are there
You take me to a place
I always wanna go
You always make me high
Whenever I feel lowTutti fruttiYou've got me where it hurts
But I don't really care

'Cause I know I'm OK
Whenever you are there
You take me to a place
I always wanna go
You always make me high
Whenever I feel low You've got me where it hurts
But I don't really care
'Cause I know I'm OK
Whenever you are there
You take me to a place
I always wanna go
You always make me high
Whenever I feel low Whenever I feel low
Whenever I feel low
Whenever I feel low
'Cause you're that girl Tutti frutti Non mi interessa il nome vero
Non mi interessa la vita reale
Quella canzone
E tu?
Sei tutti I frutti
