

Don't Wanna Be a Player

Joe

Don't wanna be a player
Don't wanna be
Don't wanna be a player no more
I think I found someone I could live my life for
Don't wanna be a player no more
I think I found someone I could live my life for
I'm yours, your mine for sure
I had enough of runnin' wild
I'm switchin' out my whole lifestyle
I don't wanna live the way I used to
I'm givin' up the booty cause
Spinnin' C's at the Ta-Ta bars
No leavin' with two
Or three girls to get me off
All I need is one who's really down
Someone to turn this player's life around
Girl, I feel like you could be the one
To make a difference in my life
'Cuz I'm tired of livin' trife
I don't wanna be a player no more
I think I found someone I could live my life for
Don't wanna be a player no more
'Cuz I think I found someone I could live my life for
I'm yours, your mine for sure
No rolling with an entourage
Celeb' style like a movie star
Sippin' down with the ladies all around me
Laughin' girls off at the way I was of the mornin'
Gettin' beeps from Milan and Delhi
A true player never gets a chance to sleep, no
All I need is one who's really down
Someone to turn this player's life around
Girl, I feel like you could be the one
To make a difference in my life
'Cuz I'm tired of livin' trife, player
Don't wanna be a player no more
I think I found someone I could live my life for
I don't wanna be a player no more
I think I found someone I could live my life for
I'm yours, your mine for sure
Baby, girl I'm buggin' over you
You got me givin' up the things I used to do
You got so much in life to gain
And to prove to you I'm gettin' out the game

No more players style
Don't wanna be a player no more
I think I found someone I could live my life for
Don't wanna be a player no more
I think I found someone I could live my life for
I'm yours, your mine for sure
