

Darkness On The Face Of The Earth

[Willie Nelson](#)

I stumbled through the darkness, my footsteps were unsure
I lived within a world that had no sunshine
When you left me, darlin', my world came to an end
And there was darkness on the face of the earth
The stars fell out of Heaven, the moon could not be found
The sun was in a million pieces scattered all around
Why did you ever leave me? You knew how it would hurt
And now there's darkness on the face of the earth
The stars fell out of Heaven, the moon could not be found
The sun was in a million pieces scattered all around
Why did you ever leave me? You knew how it would hurt
And now there's darkness on the face of the earth
And now there's darkness on the face of the earth
