I Dare You

Exumer

Hello, let me introduce you to
The characters in the show
One says yes, one says no
Decide, which voice in your head you can keep alive
Even in madness, I know you still believe
Paint me your canvas so I become
What you could never be
I dare you to tell me to walk through the fire
Wear my soul and call me a liar
I dare you to tell me to walk through the fire
I dare you to tell me
I dare you to
Hello, are you still chasing
The memories in shadows
Some stay young, some grow old
Come alive, there are thoughts unclear
You can never hide
Even in madness, I know you still believe
Paint me your canvas so I become
What you could never be
I dare you to tell me to walk through the fire
Wear my soul and call me a liar
I dare you to tell me to walk through the fire
I dare you to tell me
I dare you to
Hello, hello
I dare you to tell me to walk through the fire
Wear my soul and call me a liar
I dare you to tell me to walk through the fire
I dare you to tell me
I dare you to
Hello, hello
I dare you to tell me
I dare you to
I dare you to tell me
I dare you to
