

Hate to Say I Told You So

Richard Cheese

Do what I want cause I can and if I don't
Because I want to be ignored by the stiff and the bored
Because I'm gonna.

Spit and retrieve cause I give and receive
Because I want to gonna get through your head what the mystery man said
Because I'm gonna.
Hate to say I told you so.
I do believe I told you so.

Now it's all out and you knew cause I wanted to.
Turn my back on the rot that's been planning the plot because I'm gonna.
No need for me to wait because I wanna.
No need two, three and too late because I'm gonna.
Hate to say I told you so.
I do believe I told you so.

Do what I please gonna spread the disease
Because I want to gonna call all the shots for the "No"s and the "Not"s
Because I wanna.
Ask me once I'll answer twice cause what I know I'll tell
Because I wanna.
Sound device and lots of ice I'll spell my name out loud
Because I want to, oh yeah
